**Notes:**

- (1) AVBC does not accept umbrella or locum companies as employers, we require the details of the veterinary practices where you were employed.
- (2) The dates of employment are the dates you were working as a veterinarian in a veterinary role. Do not include dates you were registered with an umbrella or locum employment agency.
- (3) For part-time, locum, casual or self-employed work, your evidence must equate to the hours claimed on the employment summary, for example, if you are working part-time and claiming 20 hours per week, your evidence must show this for the duration of the employment period you are claiming.
- (4) There must be a detailed description of the duties performed during each employment period.
- (5) At least two (2) forms of evidence are required for each employment claimed. Evidence can

include payslips, tax documentation, veterinary employment contracts, and employment confirmation letters. Evidence must be numbered. Do not send multiple payslips that do not evidence the employment claimed.
